# F5 Full Face Mask

CPAP Mask, Full Face Mask with a slim frame, groove-fit cushion and easy clip.

Discover the freedom of sleep with BMC F5 Full Face Mask! It is comfortable, flexible and quiet. It is designed to minimize contact with your face.

## Slim Frame

A transparent and slim main frame minimises the effect on your vision.

## Groove-fit Cushion

A single layer of soft cushion with an intelligent groove design fits different face shapes.

## Easy Clip

The classic clip helps to lock or release as easily as possible.

## Ingenious Swivel

The detachable swivel design separates the mask from the tubing conveniently when needed.
