

MICITECH 10 LITRE OXYGEN CONCENTRATOR

Experience the ultimate in oxygen therapy with the Micitech 10 LPM Oxygen Concentrator. Designed for both home and hospital use, this concentrator ensures a steady supply of high-purity oxygen, making it ideal for patients with respiratory conditions.

KEY FEATURES:

- **High Oxygen Purity** 93%±3%
- **Air Leakage Compensation**
- **Flow Rate:** 10 LPM
- **Application:** Medical Purpose
- **Weight:** 21KG
- **Packaging Type:** Box
- **Size:** 407 x 300 x540 mm
- **Packaging Size:** 1 Unit
- **Max flow:** 1-10LPM
- **Warranty:** 1 year warranty

An oxygen concentrator provides low-flow oxygen therapy in homes, nursing homes, or patient care centers. It uses the pressure swing adsorption principle to separate oxygen from nitrogen in the air. When powered on, it effectively isolates oxygen at room temperature to meet medical standards.
