

RESmart GII Auto CPAP System

RESMART GII AUTO CPAP SYSTEM

RESmart GII CPAP System is a brand new intelligent CPAP device, suitable for home and clinic therapy of Obstructive Sleep Apnea (OSA). Its intelligent platform helps you breathe comfortably and enjoy your sleep.

RESmart GII is easy to use, offering a clear understanding of personal needs. It features practical functions like delay time, air leakage compensation, and automatic on/off. With Eco smart heating technology, it enables district heating, reduces energy consumption, and enhances humidification efficiency.
